

Steigende-Sudoku

Setze die Zahlen von 1 bis 9 in jedes leere Feld, sodass jede Zahl in jeder Reihe, jeder Spalte und in allen 9 3x3 Bereichen genau einmal erscheint.

Die Zahlen in jeder Reihe sind entweder streng wachsend oder fallend.

(Lösung)

A 9x9 Sudoku grid with the following filled-in numbers:

5					8			
						6		
						3		
	2	7						
9							3	
7			5	6			7	
								9

The grid also features several gray L-shaped arrows pointing upwards and to the right, indicating the direction of the increasing or decreasing sequence for each row. The first arrow starts at the bottom-left of the second column and points up and right through the third and fourth columns. The second arrow starts at the bottom-left of the fifth column and points up and right through the sixth and seventh columns. The third arrow starts at the bottom-left of the eighth column and points up and right through the ninth column.
